Sir,

Subject - Audit objection to the purchase of Radio Set and Loud Speaker at Hosakote Municipality

I have the honour to state that there has been audit objection to the expenditure of Rs 250/- incurred by the Hosakote Minor Municipality towards the purchase of a Loud Speaker to the Radio Set It will be seen from the enclosed file of correspondence that the Radio set was purchased by the Hosakote Municipality out of the grants made by the Defunct Water Supply -- Committee etc The Municipal Council had resolved at their meeting held on 19-3-1941 that the cost of the Loud Speaker viz , Rs 250/-due be paid out of the closing balance of the Municipal Funds for the year 1940-41 This was approved by the Deputy Commissioner under Rule 22 & 23 of Mysore Accounts Manual Part 11 Now the auditors require the sanction of Government for the - unusual and special item of expenditure

2) As already stated ~~xxxx~~ the installation of a Radio with a loud speaker was a long felt want at Hosakote Town -- There is a well laid out park and the Radio is serving the public need to a great extent Hence the resolution of the Municipal Council to contribute a sum of Rs 250/- towards the expenditure was a legitimate one especially when they got a free supply of a Rdio Set In these circumstances, I request that sanction of Government may be kindly obtained to the expenditure already incurred by the Municipality during the year 1940-41 The connected records accompany for favour of reference andreturn

I havethe honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District
